3. Department of the Navy.
4. Department of the Air Force.
5. Central Intelligence Agency.

2. The membership of USCIB will consist of not more than two regular representatives designated by appropriate authority in each of the foregoing departments and agency

3. USCIB will act only with the unanimous concurrence of all of its members, except that the Chairman shall be elected by majority vote. In the event of its failure to reach unanimity, USCIB will refer the matter to higher authority as prescribed in paragraph 4 of NSCID #9. The Board will perform such functions as may be required to accomplish its objective, but it will place particular emphasis upon the following:

- (a) Formulating national Communications Intelligence policy and objectives.

- (c) Prescribing basic security standards and dissemination policies to protect all Communications Intelligence activities and sources.
- (d) Exercising supervision over the establishment and maintenance of all liaison with foreign and non-member domestic agencies in the field of Communications Intelligence.
- (e) Assessing the national Communications Intelligence requirements, and establishing general policies concerning emphasis and priorities of effort accordingly.
- (f) Coordinating Communications Intelligence research and development in conformity with pertinent Research and Development Board policies.

4. Any member of USCIB may place an item on the agenda by notifying the Secretariat in writing or by introducing it at a meeting with the concurrence of those present. USCIB papers not supplied to Board members at least 48 hours in advance of a meeting will not be considered for decision at the meeting except by the unanimous consent of representatives present. The USCIB agenda shall include a continuing inventory of all pending items and no item is to be dropped therefrom except by specific approval of the Board.

5. USCIB may make decisions and issue directives or communications pertaining thereto, without a formal meeting. Such directives or communications issued in the name of USCIB will need to be signed only by the Chairman thereof but shall require the prior concurrence of all members of USCIB.

6. The following rules shall govern the Chairmanship of USCIB:

- (a) The term of office of the Chairman shall not exceed one year.
- (b) The same department or agency will not furnish the Chairman twice in succession.

- (c) If a particular Chairman is unable to continue in office for his prescribed term, a new Chairman will be elected to serve a full term
- (d) If the Chairman is unable to attend a meeting or otherwise must be absent from USCIB affairs, he will designate another regular member to serve as Acting Chairman in his absence.

7. A regularly scheduled meeting of USCIB will be held on the second Friday of each month unless cancelled or postponed by unanimous consent of members, in which event the Secretariat, as directed by the Chairman, will notify members of the new meeting date at least 48 hours in advance. Interim meetings may be requested by any member and will be called by the Chairman if a majority of the members concurs. Prompt notice of the holding of such meeting will be given to members by the Secretariat.

8. Each department or agency represented on USCIB will be represented at each meeting by at least one member or alternate with necessary power to act.

9. A record of the discussions and decisions of USCIB will be prepared in the form of Minutes by the Secretariat. The Minutes will be prepared in tentative form and furnished to Board members for comment. Upon receipt of such comment, the final Minutes will be prepared as corrected and a record of such corrections will be included with the final Minutes. USCIB will supplement the individual approval of minutes and/or actions taken outside of regular meetings by formally approving such minutes and/or actions at the time of the next succeeding meeting. Final Minutes of USCIB meetings will be disseminated to USCIB members.

10. In order that USCIB may be fully effective, it is essential that its decisions be implemented as promptly as possible. To this end, each formal decision recorded in the minutes of a USCIB meeting or otherwise will include a statement as to the particular agencies or individuals under the cognizance of USCIB that are responsible for implementing all or any specified parts of the Decision. Such responsible agencies or individuals will, one week prior to each regular meeting of USCIB submit to the Secretariat an informal report as to the progress in implementing appropriate decisions. A monthly summary of these reports will be presented by the Secretariat at each meeting of USCIB, which summary will appear as a separate section of the Agenda for such meetings. Items will be carried in this section of the agenda until considered completed by the Board, at whose direction fully-implemented items will be dropped from such section. Subject to the foregoing, the Secretariat will be responsible for following up the implementation of USCIB decisions as may be necessary.

The Committees may, however, be called upon at any time to assist the Coordinator of Joint Operations in coordination of the operating agencies on a working level. Membership in each standing Committee will be held at the minimum necessary for conducting business. Standing Committee decisions will require unanimous consent but minority reports may be submitted by dissenting members as hereinafter provided.

14. Standing committees will (a) establish their own methods of procedure in carrying out their duties, (b) initiate studies and projects for the improvement of coordination as appropriate, and (c) make and implement decisions on specific matters insofar as the members of the committees have authority to do so for their respective organizations.
